

Tips to get your started

Suggested Church Notice

We're delighted to be running The Alongsider Course here at [church name]. This is a free free video course from Navigators UK to inspire and equip Christians for disciple-making. If you want to grow in confidence as you get alongside others, helping them grow in faith - this course is for you. Over this seven-session video course, you'll discover that God wants to use you and your relationships for his eternal purposes. We'll be running The Alongsider Course on [time and date].

How to access the app

The Alongsider Course app is available for iPhone, Android and on desktop. If you are unsure of how to access the app, follow these steps depending on the devise you have:

iPhone: Open the App Store on your iPhone and search "The Alongsider Course", then click the "Get" button. Alternatively, go to alongsidercourse.com/overview on your iPhone and click the "download on the App Store" button. Once downloaded, open the app and create your user profile.

Android: Open Google Play Store on your phone and search "The Alongsider Course", then click the "Install" button. Alternatively, go to alongsidercourse.com/overview on your phone and click the "Get it on Gogle Play" button. Once downloaded, open the app and create your user profile.

Desktop: Visit alongsidercourse.com/overview on your computer and click the "Available on your Destop" button. Once downloaded, open the app and create your user profile.

Leading with the Alongsider Course app

The Desktop app is the best platform for leading a session. Simply open the app, plug your computer into the TV or projector you are using and the app will can be used to present the course content. Currently, you will need internet access to use the destop app but we plan to make this available offline soon.
